SPECIAL NEEDS AND EMERGENCY MEDICAL CONDITIONS

We are committed to creating an environment where all children thrive, including children with special needs. A child with special needs is one whom it has been determined requires special attention and/or accommodation that other children in a group setting do not require. These determinations may be based on medical, physical, cognitive, or behavioral challenges that the child may face. Our program specializes in group child care and is an inclusive school age program that recognizes each child's uniqueness. We are an independent program separate from the school district, do not have access to school resources or staff during our program hours, and operate under separate regulations. Our desire is to work with every family so that their child succeeds in our program. We will make reasonable accommodations in our program toward that goal, but we must note that there are some circumstances where we cannot effectively meet the needs of a child.

Parents are asked to complete the "Special Needs Form" to help us learn about their child's special needs and their ability to manage everyday tasks or situations that are common in our school age program. This form is required if you are requesting specific accommodation. The form should be submitted to childcare@ymcatopeka.org with the child's school listed in the subject line. A Program Director will contact you to review and if deemed necessary schedule an in-person meeting. We are committed to making a timely determination regarding enrollment and participation. Please allow a minimum of 10 working hours for this process.

Throughout the process, YMCA staff make every effort to support the individual needs of children and make all reasonable accommodations. Please note that based on our current funding levels, KEY Academy is not able to provide one-to-one staffing should this be deemed necessary.

PREVENTION OF ALLERGIC REACTIONS FOR INDIVIDUAL CHILDREN

Upon initial enrollment, all parents are required to report any medical condition or food allergy that put their child or youth at risk for anaphylaxis.

- A complete allergy action plan must be provided and reviewed with the staff team prior to attendance.
- Parents are required to provide emergency response medication to be kept on site (i.e. EpiPen,

Benadryl, etc.) along with a complete KDHE medication administration form. Medication can NOT be outdated.

- Staff will document any incidents and medication administration on the appropriate document for the situation.
- When appropriate and possible, areas in the program, classrooms or specific tables used for meals service may be designated as a "free zone" for allergens such as peanut butter, or tree nuts.

ILLNESS POLICY

The YMCA follows KDHE guidelines for exclusion of children who are ill and/or show one or more sign or symptom of illness. While fever alone does not always indicate a serious condition, it is unreasonable and inappropriate for child care staff to determine this for participating children - it is, instead, the responsibility of parent/guardian, with the help of the child's health care provider. Parents/guardians will be notified if a child has a fever with or without additional symptoms. Children will be excluded from participation when:

1. The illness prevents the child from participating comfortably in facility activities;
2. The illness results in a greater care need than the child care staff can provide without compromising the health and safety of other children; or
3. The child exhibits signs or symptoms of illness, including but not limited to the following:
 - Presence of a fever and other signs of illness or behavioral change
 - An acute change in behavior including lethargy, irritability, and/or persistent crying
 - Uncontrolled coughing, rash, diarrhea, vomiting, abdominal pain, mouth sores, pink or red eyes
 - Untreated head lice, scabies, or other infestation
 - Known or suspected contagious diseases while in the communicable stage
4. Child is in the communicable period of an illness.
 - Children excluded for a fever must be fever free, without fever reducing medication, for 24 hours before returning to the program.
 - Ill children will be monitored and isolated with necessary supervisor, until a parent/guardian or other authorized adult picks up.
 - Parents/guardians should make arrangements to ensure prompt pick up within an hour of notification.
 - Parents/guardians are required to notify the program when a child is diagnosed with a communicable disease; a doctor's release may be required to return to the program.
 - All participating families will be notified if a child or staff has a confirmed, communicable disease; maintaining confidentiality (individuals will not be named)

MEDICATION POLICY

Please be advised that the YMCA staff do not administer medication outside of those for emergency situations such food allergy and anaphylaxis emergencies where an EPI Pen is needed, or rescue inhalers for youth with asthma. Parents/Guardians are responsible for providing a complete emergency plan, on a YMCA approved form, prior to the child attending. All medication must be given directly to the YMCA staff, be in the original container, have the full prescription label and directions. Please allow additional time at drop off when delivering medication to complete the required KDHE long-term medication form.

To fill out these forms in advance visit the KDHE website at: <https://www.kdhe.ks.gov/DocumentCenter/View/1038/CCL-027-Long-Term-Medication-Authorization-PDF>
YMCA Latchkey programs do not have access to the nurses' offices in our school district partner sites and therefore have no access to any emergency medications you have authorized the school to administer to your child. YMCA staff are trained in Pediatric CPR/AED and First Aid. The YMCA does not have medical personnel on staff at any Y program or facility branch, including our School Day Out and Break Camp sessions, held at YMCA branches. Should a child

require medication during program hours, it will be incumbent upon the parent or guardian to administer this medication.

MAJOR AND MINOR EMERGENCIES

- All YMCA staff are certified in pediatric CPR/AED and basic First Aid
- Minor injuries will be treated on site and parents will be informed at pick-up and/or provided an "ouch report"
- In accordance with YMCA emergency procedures, 9-1-1 will be called prior to parent notification anytime a situation warrants.
- Parents will be notified immediately of any serious injury or major emergency situation.
- For **Major Emergencies** YMCA staff will complete an incident/accident report on a KDHE form after the incident; a copy will be provided to the parent/guardian.

CONFIDENTIALITY

All family records are confidential. Only authorized staff and regulatory agencies have access to files. No information will be released to any other person or agency without parent/guardian's written permission.

BEHAVIOR MANAGEMENT POLICY

The YMCA's philosophy on discipline is based on respect for the child's self-esteem, setting reasonable limits, consequences, and encouraging increased self-discipline. All children will be expected to act in a manner that demonstrates the four YMCA character values of caring, respect, responsibility, and honesty.

- Minor behavior issues will be shared as needed with families verbally. When warranted written documentation will be provided to outline both unacceptable behavior and expectations.
- The YMCA reserves the right to suspend and/or dismiss any child based on the child's actions and behaviors.
- Immediate suspension may occur if a child:
 - threatens harm to another
 - attempts to and/or strikes a staff member
 - demonstrates violence and/or aggressiveness
 - willfully leaves or does not return to the program area without permission from the staff
 - is verbally disrespectful to peers or adults and/or uses profanity
 - damages or takes the property of the program or others
 - refuses to comply with verbal directions from staff
 - in any way compromises their safety or the safety of others
- The YMCA understands that from time to time all children need support and redirection. When consistent and/or escalating behavior compromise the staff's ability to facilitate program activities and/or supervise the group, suspension from the program may be required until a conference with the family can be established and a plan for improvement implemented.
- If a child's behavior or actions cause destruction or damage to property, equipment, or the facility, the family will be held responsible for any and all costs for repair or replacement.
- Refunds are not given when children are suspended or dismissed for inappropriate behavior.
- YMCA staff are there to support youth. To ensure a timely response, we ask that youth and parent/guardians go directly to a staff member to report any concerns or incidents immediately.
